

GLASGOW HASH HOUSE HARRIERS – COVID PROTOCOLS

Rules	Advice
Events will be entirely outdoors.	Be prepared for rain, bad light etc. Unlikely there will be any toilet facilities. If you're not comfortable with the proposed venue, don't book up.
Hares will choose a suitable venue. This could be a car park or a large lay-by, preferably close to some countryside with good running/walking trails.	Busy places area to be avoided.
Pubs will not be used as venues – even outdoors.	This is to minimise contact with civilians.
The hares' gardens will not be used as venues.	This is to avoid the temptation to go indoors.
Max 15 people (including hares).	
Book in on the new website.	It's first come, first served but priority will be given to anyone who has had to miss a run or runs because they were over-subscribed. If you've booked, but you can't make it, try to let the hares know in good time. If this becomes successful then a long hare line will be helpful for planning and to ensure everyone who wants to take part gets a fair opportunity.
The Covid Orifice is to confirm acceptance or otherwise.	This will be shown on the website. If there's no room for you on a run you'll get priority next time.
If you're not feeling well on the day, or you're supposed to be self-isolating, don't come.	Please try to tell us if this happens.
Events may be cancelled if Government advice or regulations change.	
Covid Orifice (or deputy) to take an attendance register on the day.	The website bookings should contain all the details required for GH3 and "Test & Protect" record keeping, but last minute amendments may be required.
Attendance details will be emailed to the On Sec afterwards, who will note it in the book.	
Prior to the run's commencement the hares will highlight any unusual risks (Covid or otherwise) that the pack should be aware of.	This could include narrow passages, gates or styles, difficult or potentially dangerous terrain, busy roads, livestock, poisonous plants, wildlife etc.
Although the event takes place in a public space, don't turn up to the run or circle if you're not booked in.	Trying to follow the trail on your own the next day is OK.
Stay at least 2m apart from anyone not in your household at all times.	2m is a minimum. If you're running behind someone try to stay at least 5m behind. Only overtake when the path is wide.

Rules	Advice
Try to keep away from, and be courteous to other users of the event site.	Try to avoid altercations.
Bring your own refreshments, cleaning equipment, etc.	The wearing of face coverings is optional.
We strongly recommend everyone carries a face covering.	Social distancing is the norm but there may be times (e.g. illness or injury) when close contact is necessary.
Hash cash is by IOU.	Hash cash will request settlement by bank transfer if the amount owing becomes significant (e.g. over £10).
The pack will clear the site and go home once it is confirmed that everyone is safely back from the trail.	
The post run circle will take place on Zoom.	Expected to be 90 minutes after the run is due to start.
We leave the event site as we found it.	Flour blobs don't count!
Anyone seen contravening the protocols will after due warning, be asked to leave.	While hashing often involves silly behaviour Covid-19 is serious, so unnecessary Covid risks can't be tolerated.
While these protocols should make hashing as Covid-safe as possible, GH3 cannot guarantee there will be no spread of the disease.	By attending a run you accept what risk there is.
These protocols will be kept under review.	And can change at short notice.
