

**GLASGOW HASH HOUSE HARRIERS  
COVID PROTOCOLS (BEYOND LEVEL 0)**

<b>Rules</b>	<b>Advice</b>
Book in on the new website if you can.	In addition to maintaining information “Test & Protect” this enables us to know who is expected on the run (avoiding time wasting at the start); it helps hares in deciding whether to add or avoid difficult parts on the run; and it makes it easier to keep the run stats up to date.  If you’ve booked, but you can’t make it, try to let the hares know in good time.  If this becomes successful then a long hare line will be helpful for planning and to ensure everyone who wants to take part gets a fair opportunity.
If you can’t (or won’t) book in advance that’s OK.	Just don’t expect us to wait for you if you’re late.
If you’re not feeling well on the day, or you’re supposed to be self-isolating, don’t come.	Please try to tell us if this happens.
Events may be cancelled if Government advice or regulations change.	
Covid Orifice (or deputy) to take an attendance register on the day.	The website bookings should contain all the details required for GH3 and “Test & Protect” record keeping, but last minute amendments may be required.
Attendance details are published on the website one hour after the start of the run.	
Prior to the run’s commencement the hares will highlight any unusual risks (Covid or otherwise) that the pack should be aware of.	This could include narrow passages, gates or styles, difficult or potentially dangerous terrain, busy roads, livestock, poisonous plants, wildlife etc.
Avoid unnecessary physical contact with others.	Especially non consensual.
Try to keep away from, and be courteous to other users of the event site.	Try to avoid altercations.
We recommend everyone takes a face covering.	You’ll need it to go in a pub, and there may be times (e.g. illness or injury) when close contact is necessary.
An IOU system is established for those who don’t want to handle physical cash.	Hash cash will request settlement by bank transfer if the amount owing becomes significant (e.g. over £10).  When there is no communal circle GH3 is incurring no expenditure, so there is no need to charge a run fee.

<b>Rules</b>	<b>Advice</b>
<p>The post run circle will be decided by the pack after the run. This will depend on matters such as the weather, the proximity of a welcoming pub.</p> <p>On site circles will take place if there is no obvious pub to go to, the weather is suitable, the midgies are tolerable, we have something to drink, and we would be unlikely to disturb any other users of the space.</p>	<p>Currently, the best option is a pub beer garden but if</p> <ul style="list-style-type: none"> <li>(a) the weather is bad,</li> <li>(b) there is no room at the inn, then inside may be a better option unless</li> <li>(c) there is no suitable pub nearby,</li> </ul> <p>when an on-site circle, or failing that, a Zoom meeting will be the best option.</p> <p>Down downs (only if outdoors) are at the discretion of the GM or RA but they will only take place if we are confident the circle will not upset the pub's staff or customers.</p>
<p>We leave the event site as we found it.</p>	<p>Flour blobs don't count!</p>
<p>Anyone seen contravening the protocols will after due warning, be asked to leave.</p>	<p>While hashing often involves silly behaviour Covid-19 is serious, so unnecessary Covid risks can't be tolerated.</p>
<p>While these protocols should make hashing as Covid-safe as possible, GH3 cannot guarantee there will be no spread of the disease.</p>	<p>By attending a run you accept what risk there is.</p>
<p>These protocols will be kept under review.</p>	<p>And can change at short notice.</p>
